Situated on the Ewa side of Nuuanu Valley and above the junction of Laiha and Wyllie streets.

The location of these lots is the most desirable in the suburbs of the city.

The site commands an extended view of the city and the surrounding country.

As a residence location for those who wish to escape the malarial atmosphere of the low lands of the city, the situation of these lots cannot be equaled.

As a safe and paying investment, parties will bear in mind the wonderful appreciation in values of lands adjacent to the city in the past few years.

The Government water main is laid to the lots.

That these lots may be within the reach of all, we offer the following unparalleled terms:

First—Cash, with a discount of 10 per cent.

Second—\$25 cash, balance at 85 per month.
